## Disclaimer

The Military Lending Act, 10 U.S.C. 987 ("MLA") protects Department of Defense ("DOD") "Covered Borrower(s)", (as defined in 32 C.F.R. 232.3(g) (1)), including "Service Members" and certain "dependents", from certain high-cost "consumer credit" products (as such terms are defined in the MLA). The DOD Covered Borrower data provided to User from or through MicroBilt comes from the Defense Manpower Data Center ("DMDC") directly from the DOD, or from a DOD approved Repository. MLA data and reports obtained from or through MicroBilt shall be used by User with a "permissible purpose" in accordance with the FCRA, only for its own internal one-time use, and not in connection with, in whole or in part, underwriting of insurance, initiating preapproved offers of credit, to establish profiles, reports or any other documentation on individuals, for marketing, or any purpose other than to make a determination of consumer status as a Covered Borrower as required of "creditors" for credit "transactions" subject to and as defined in the MLA. Without using a Social Security Number in the query, neither the DMDC, the Repositories, nor MicroBilt, can authoritatively assert that the individual identified in the data and report is the same individual that your query refers to; name and data of birth alone, do not uniquely identify an individual. Refer to the MLA and consult with your own attorney for more details prior to use.
